COMMENTS

High Mountain Broadcasting Corporation, permittee of television station WVSX-DT, Lewisburg, West Virginia, by its attorney, hereby files these Comments in support of the proposed substitution of VHF-DT Channel 8 for UHF-DT Channel 48 at Lewisburg (Notice of Proposed Rule Making, DA 02-1551, released July 5, 2002) in the above-captioned proceeding. High Mountain was the petitioner in this proceeding, and for the reasons set forth in its associated Petition for Rulemaking, filed May 9, 2002 (hereby incorporated by reference), the proposed channel change would serve the public interest.

Should the Commission assign DTV Channel 8 to Lewisburg, High Mountain will promptly file an application to modify its permit for WVSX-DT and, as soon as that
